ULMUS PUMILA (Northern Strain)

POWER DUG . . . WITH ALL THE ROOTS

● TWO YEAR SEEDLINGS

● TREES AND TRANSPLANTS

● ALSO OTHER STOCK IN SURPLUS

10% Discount for Cash with Order

This spring because of unusually favorable conditions (there having been very little frost in the ground) we are "way ahead of schedule" with our digging and have been shipping every day during March. We can still supply **all grades** of Chinese Elm trees and seedlings although recent heavy sales have run us low on some of them. Our stock is in prime condition, absolutely dormant; and **right now is the time to cover** on your requirements for spring sales or lining out. Do not delay. Air mail or Wire orders for immediate shipment.
